Date: May 14, 2017

Subject: FCC File No. 0226-EX-CN-2017

Message:

Carnegie Mellon University ("CMU") was asked two further questions with respect to this pending application.

1. Will any participants be charged money during testing? - Answer - No.

2. Please provide a stop buzzer point of contact to cease operation if interference occurs. CMU's stop buzzer point of contact for this application is: Craig Hesling, Tel. 843-422-5405 - email - craig@hesling.com.

Should you have further questions, please contact me. Thank you for your time and consideration.

Robert H. Jackson
