Message:

Carnegie Mellon University (CMU) was asked to dismiss either 0201-EX-CN-2019 or 0673-EX-ST-2019. CMU wishes for the Commission to process the application for the conventional experimental license (0201-EX-CN-2019) and abandons its application for an STA (0673-EX-ST-2019). Counsel for CMU is traveling and will withdraw the STA application from as soon as practicable. Please continue to process 0201-EX-CN-2019 in the interim.
