Subject: Frequency Coordination Request Submitted

Dear Proponent

Your Frequency Coordination Request has been successfully submitted to the FAA Spectrum for review.

Tracking Number: TRK 182352,TRK 182353,TRK 182354,TRK 182355,TRK 182356,TRK 182357,TRK 182358,TRK 182359,TRK 182360,TRK 182361,TRK 182362,TRK 182363,TRK 182364,TRK 182365,TRK 182366,TRK 182367

Your request will be reviewed at FAA Spectrum with consultation by the assigned Frequency Band Subject Matter Expert (SME). The goal is to address all coordination requests within 30 days or less, however, the FAA cannot guarantee the availability of spectrum in some geographical areas for experimental testing.

The WebFCR Team.
