NOTICE OF CONSUMMATION**

Dear Ms. Dortch:

This letter notifies the Commission that the Commission-approved transfer of indirect control of Securus Technologies, Inc. (Securus), T-NETIX, Inc. (TNI), T-NETIX Telecommunications Services, Inc. (TNTS), and CellBlox Acquisitions, LLC (CellBlox) from Securus Investment Holdings, LLC (Transferor) to SCRS Acquisition Corporation (Transferee) was consummated on November 1, 2017. Although we understand that a consummation notice is not required for the transfer of control of a *de facto* spectrum lessee, this notification also applies to ULS File Nos. 0007778973 and 0007820181. CellBlox will file an updated ownership disclosure in the Commission's Universal Licensing System using FCC Form 602 to reflect its current ownership.

Should you have any questions concerning this filing, please contact undersigned.

Respectfully submitted,
