**To Whom It May Concern:**

This is to certify that:

Celona Inc., deploys and/or manages radio frequency equipment.

The RF experimentation will be conducted by following a strict Test Plan defined and approved by Celona Inc., in a controlled environment.

Celona Inc., will have a Project Manager in place to specifically follow the Test Plan, track results, and publish test results.

Celona Inc., has extensive RF experience and expertise deploying RF networks and has radio frequency engineers on permanent staff.

For the above reasons, I believe Celona Inc., meets the Eligibility criteria for a Special Temporary Authority experimental license as set forth in the Commission Rules.

Sincerely,

Rajeev SHAH

CEO, Celona Inc.
