**To Whom It May Concern:**

This is to certify that:

Centerline Communications, LLC deploys and/or manages radio frequency equipment.

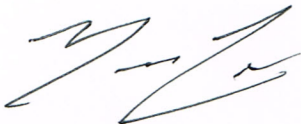

The RF experimentation will be conducted by following a strict Test Plan defined and approved by Centerline Communications, LLC in a controlled environment.

Centerline Communications, LLC will have a Project Manager in place to specifically follow the Test Plan, track results, and publish test results.

Centerline Communications, LLC has extensive RF experience and expertise deploying RF networks and has a number of RF engineers on permanent staff.

For the above reasons, I believe Centerline Communications, LLC meets the Eligibility criteria for a Special Temporary Authority experimental license as set forth in the Commission Rules.

Sincerely,

Marcus F Cianfrani
