STA Application – Microwave Channels
0724-EX-ST-2012
Frequency Coordination Exhibit
Austin, Texas Formula One American Grand Prix Automobile Race
November 5, 2012 through November 22, 2012

This application proposes the use of certain microwave bands in the Austin, Texas area for terrestrial only, international and domestic video production operation during the American Grand Prix Formula One automobile race event and for testing prior to the event within and immediately surrounding the race track. An engineering analysis has shown that there should be no Should any authorized user of the subject bands report interference during the proposed operations, operation on that channel will immediately cease and not resume unless and until the interference complaint is resolved.

The application also proposes the use of Amateur Radio frequencies for video production and for telemetry. The use of amateur allocations in this STA application at have been coordinated with the American Radio Relay League, Incorporated. Other channels to be utilized during the race event have been investigated and monitored by Clear Call Communications, Inc. of Dallas, Texas and found to be unoccupied. Clear Call Communications will be on site during the race and channel monitoring and on-site frequency coordination will insure against any interference. Given the location of these events, it is anticipated that no interference will be caused to any Amateur Radio, government or broadcast auxiliary operations. Use of broadcast auxiliary channels will be coordinated in advance with the Society of Broadcast Engineers' local frequency coordinator for the Austin Texas market. Upon receipt of any complaint of interference from a licensed Amateur Radio user, government user or broadcast entity (or otherwise), operation pursuant to this STA will cease on the channel complained about immediately, and will not resume unless and until the interference complaint is resolved satisfactorily to the licensee.

Communications on site should be directed to Mr. Keller McCrary, Clear Call Communications, Inc. at 1-214-533-3700. Other communications can be directed to the office of counsel for Circuit of the Americas, LLC:
