Subject: File Num#1544-EX-ST-2021 reminder on FAA pre-coordination data request

---

Message:

I have filed as an amendment to the pending application the two FAA approvals received to date. The third has not been responded to by FAA. As noted in prior correspondence, if the FAA approval for the band 8848-9004 MHz is not immediately forthcoming, that band can be deleted from the application and the remainder granted.
