Subject: FAA Concurrence of Record TRK 190900

Dear Proponent,

Your Frequency Coordination Request has been engineered by FAA Spectrum Engineering. TRK 190900 is assigned an FAA Coordination number NG T190958 which indicates FAA's concurrence. Please note that this does not constitute authority to transmit.

A formal application must be filed with the FCC, that includes reference to the above FAA Coordination number which is valid until 10/12/2020. If an extension is desired, please submit an inquiry via WebFCR for an extension. Your authority to transmit accordingly must be obtained from the FCC. FAA Spectrum has provided the following comment:

FAU Line: THE FAA CONCURS WITH EXTENDING THE EXPIRATION DATE OF THIS ASSIGNMENT UNTIL 01/30/21.

The attached file contains a Summary Table of the key record parameters documented throughout the process. The following Revision Table outlines the attributes which were revised:

Attribute	Revised Value
Frequency	M127.9000

Thank You

FAA Spectrum Engineering
