Subject: Dismissal Without Prejudice

Message:

Dear Anthony Serafini,

I checked this application, 0667-EX-ST-2020, contains transponder frequencies, where as 0666-EX-ST-2020 contains frequencies for VHF voice transmission. This application is a re-submission of 2224-EX-ST-2019 which we were granted and are currently operating under.

Is there a detail I missed?

Best Regards,
Grant Lichtsinn
