Message:

This is to confirm that pursuant to the April 7, 2020 email of the Commission's Nimesh Sanganiv, this is to confirm that it is the applicant's understanding that the frequency bands specified in automated Ref. 54209 are not the bands which need to be coordinated. Accordingly, the applicant will not pursue FAA coordination of the frequency bands specified in automated Ref. 54209.

It is the applicant's further understanding the frequency bands that must be FAA coordinated are accurately listed in Nimesh Sanganiv's inquiry dated April 3, 2020 under Ref. 54473 - the applicant is currently pursuing FAA coordination pursuant to Ref. 54473.

If these understandings are incorrect, please contact undersigned counsel for applicant.
