Nimesh:

Good afternoon.

In reply to the request for FAA coordination (Ref. Nos. 54473, 54707), this is to advise you that FAA has not yet fully completed its coordination of this application.

Accordingly, it is respectfully requested that the deadline for obtaining FAA coordination be extended to June 1, 2020 to permit FAA additional time to complete coordination. Should additional time be required beyond June 1, 2020, Cobham will contact the Commission at that time.

Best regards,

Jeff Rummel  
Attorney for Cobham Advanced Electronic Solutions Inc.
