Subject: File Num#0054-EX-CM-2020 reminder on MAG pre-coordination data request

Message:

Nimesh:

In reply to the inquiry dated April 14, 2020 (Ref. 54706), and as explained in our email below from 3/26 and confirmed by Mr. Ghaffari in his reply below from 3/26, it is Cobham's understanding that the pending application under File No. 0054-EX-CM-2020 contains sufficient contract information and that no further action is required with respect to MAG review/coordination.

If this understanding is incorrect, or if there are any questions about MAG review of this application, please contact undersigned.

Best regards,

Jeff Rummel
Attorney for Cobham Advanced Electronic Solutions Inc.

Subject: RE: WE2XDA - MAG Inquiry - Ref. 54207 (Pending File No. 0054-EX-CM-2020)

That's correct. Please bear in mind the proposed MAG bands are allocated exclusively to the military operations and MAG's chair has sole authority to accept or deny access to those bands. Furthermore, MAG can also request for additional information regarding the proposed bands in which you are required to comply if you/(your client) intend to utilize.

Subject: WE2XDA - MAG Inquiry - Ref. 54207 (Pending File No. 0054-EX-CM-2020)

All:

This is to confirm that per the email of Mr. Ghaffari dated 3/25/2020, the Commission has acknowledged that the pending application under File No. 0054-EX-CM-2020 contains sufficient contract information and that no further action is required with respect to MAG review/coordination.

If this understanding is incorrect, or if there are any questions about MAG review of this application, please contact undersigned.

Best regards,
