

Update to Stop Buzzer Information

This Exhibit is to amend the Stop Buzzer information for this experiment. Mike Matsick is no longer the Stop Buzzer for the experiment.

The new Stop Buzzer for this experiment in the event of interference is as follows:

Paul Carroll
IES SHE Manager
Cobham Integrated Electronic Solutions
C : (267) 372-6239

Upon grant of the renewal, it is requested that Special Condition 9 be updated to reflect the new Stop Buzzer information.
