

Exhibit 1

In connection with this renewal application for Station WG2XBC, it is noted that there is pending with the Commission a modification application under File No. 0248-EX-ML-2015 which seeks the following changes to the license:

- Deletion of Location 1 (MOBILE: Mobile (Ground) Operations Within 1.61 km Radius of 1001 Pawtucket Boulevard, Lowell, MA 01854, within 1.61 km, centered around NL 42-38-26; WL 71-22-15)

- Add new Location for the following:

(Mobile Ground Ops Exeter NH – Within 3.20 km Radius of centerpoint 42-59-37 N.Lat.; 070-58-20 W.Long.)

Accordingly, it is requested that such modifications be incorporated into the renewed license upon grant of the renewal application for Station WG2XBC.

In addition, please note the following POC update for the licensee's mailing address and for any technical questions related to this application:
