

Exhibit 1

This modification application is to request Commission authority to:

- Add two new sites for future operations under the WG2XBC license:

US Army RDECOM-TARDEC – Warren, MI (Mobile, 3 km radius)
Selfridge Air National Guard Base – Harrison, MI (Mobile, 4 km radius)
- Update address/coordinate and/or radius information for the Grayling, Aberdeen, Tukwila and Soccoro sites to more accurately reflect future anticipated operations at these locations.
- Identify the new Stop Buzzer for the experiments conducted under this license as follows:

Stephen Fetter – Wireless Tel. No. – (603) 930-4408
