Subject: ITU Cost Recovery Fees for the PolarCube network
Reference: FCC experimental application file number 0071-EX-CN-2018

Dear FCC Secretary,

The Regents of the University of Colorado, on behalf of the Colorado Space Grant Consortium within the University of Colorado Boulder, proposed operator of the subject network (herein after "applicant"), is aware that as a result of actions taken at the International Telecommunication Union's 1998 Plenipotentiary Conference, and modified by the ITU Council in 2001, 2002 and 2004, processing fees will now be charged by the ITU for satellite network filings. As a consequence, Commission applicants are responsible for any and all fees charged by the ITU, up to \$7,000 CHF. The applicant hereby states that it is aware of this requirement and accepts responsibility to pay any Cost Recovery fees associated with these applications. Invoices for such fees should be sent to the point of contact specified below:
