STATE POLICE
STATEWIDE RADIO NETWORK DIVISION

September 9, 2015

Office of Engineering and Technology
Experimental Licensing Branch
Federal Communications Commission
445 12th Street, SW
Room 7-A322
Washington, DC 20554

Subject: Fee Exempt Statement... associated with: Request for Special Temporary Authorization (STA) by the Commonwealth of Pennsylvania, Statewide Radio Network Division (FRN 0003178472) for LTE testing, assisting with communications for the Papal visit to Philadelphia on September, 2015, using FirstNet Band Class 14 (700 MHz) frequencies
(Also, see attached, "Papal visit Preliminary Design 08-25-2015_R1.pdf" and "PA_PapalVisit-092015_STA-Exhibit-09022015.pdf" documents, with accompanying FCC OET application.)

To Whom It May Concern:

The Commonwealth of Pennsylvania, Statewide Radio Network is a government entity which provides communications essential to its official activities as a public safety entity currently under the management of the Pennsylvania State Police. Our office is exempt from regulatory application filing fees and need not complete Form 159.
