Hi Nimesh,

It didn't connect to form 159, but there was a bill in the finance section with two entries of \$70 for a total of \$140 that I paid with a credit card.

Thanks,  
George

George,

Have you tried using "Return to 159 form link" link to pay this? If yes then let me know and I will reach out to our programmers.

Hi Nimesh,

Yes, I've tried multiple times to pay this to no avail, we're retracting the confidentiality request, and correcting the form 442 to 76 to 81 GHz to align with the original request. Would it be possible to have a brief conversation on the phone on how to proceed and when would that be convenient for you?

Thanks,

George

Hi George,

I tried to reach you few times but didn't get a response from you. You still haven't paid the fees. You need to do that before I can process your application.

I sent you email on Monday 05/24/2021 that stated that you should be able to pay the fees now. Have you given it a try?

Hi Nimesh,

We're fine with foregoing the confidentiality request and will change our application to indicate this.

Thanks,

George

Please note that you still haven't answered my Question # 2 from the email.

2 You must separate out all confidential material from the rest of the application, submit the confidential information in exhibits separate from the non-confidential information and submit an item-by-item justification for the confidentiality request to answer the nine subsections of Part 0.459(b) of the FCC's rules. All non-confidential material must be viewable by the public, including the confidentiality justification. As a matter of policy, we will not withhold from public any information necessary for interference mitigation. This includes applicant name, contact info, location, frequency and power.

Hi Nimesh,

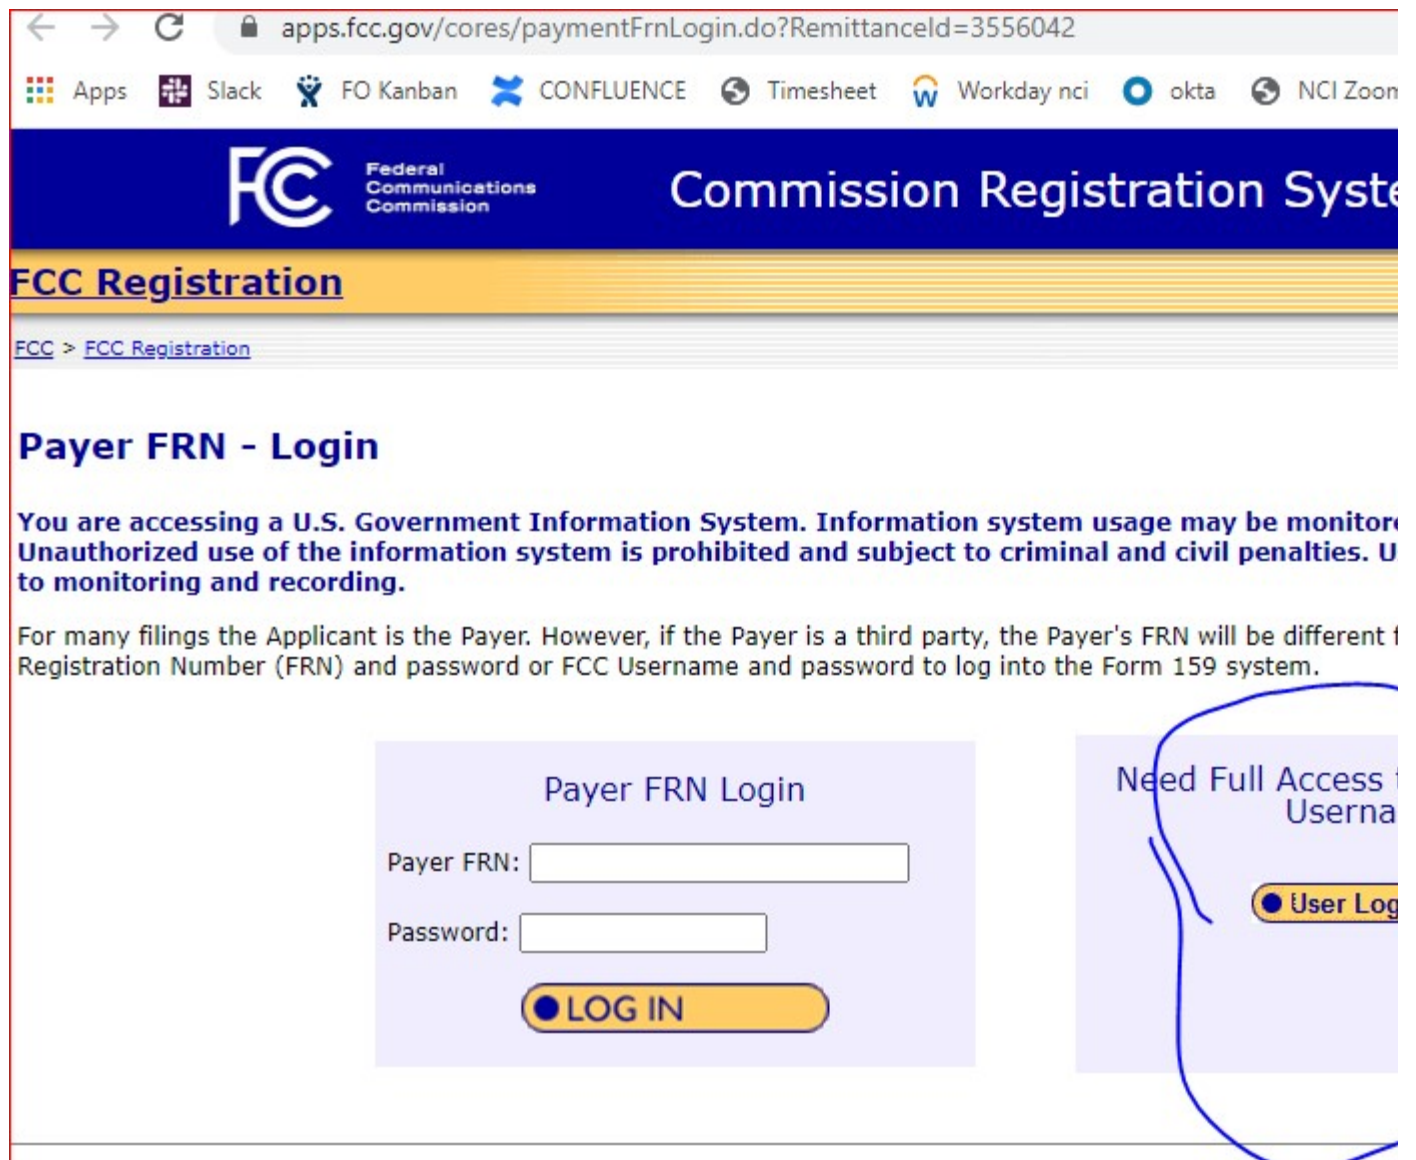

I've been using that approach and can see the FRN, there's just no option for payment in the financial section as there is no bill.

Thanks,

George

Hi Nimesh,

Thanks for the link, as I log in using my username/email address into CORES then I can access the FRNs and pay bills that are posted or administer the FRNs, but I cannot login directly to the FRN. Is there any way that you could have the bill posted to our FRN?

Thanks,

George

Hi Nimesh,

We can now get to form 159 but there is no bill posted for this amendment. I'll try to post a payment of \$125 to this file. We will also deal with the confidentiality request.

Thanks,

I have no way of knowing/recovering your password. If you have issues with FRNs, you need to contact CORES.
