Subject: Additional Information Request

Message:

1) In addition to my previous questions, please also explain the Fixed location frequency requests at ST Mary, MT and Pendleton, OR.

Why are you providing providing radius of operation as 200 km if it's a fixed location? If you are operating with 200 km of the Lat/long that you provided then you need to change this to Mobile and change the station class to Mobile.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 25, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
