You have selected the "Exhibit for description..." to be kept confidential, please submit a confidentiality request in accordance with the rules in CFR 47, Part 0.459(b) that lists nine items. Please attach your response in Q and A format, and list those attachments need to be withheld from general public viewing in response to item number one. The intended confidentiality request letter cannot be kept confidential; therefore, please do not include any confidential material in this letter.

*If this is an error please select "Non-Confidential" button

In addition, the FCC can only grant licenses within the USA and its territories. Your broad request to operate in North America, Canada, and Mexico does not fit the Commissions' jurisdictions. Please replace North America, Canada, and Mexico with Nationwide.

Furthermore, please submit an exhibit as an attachment to this application describing in great detail the purpose of nationwide request and the reasoning to use 250 devices vs. 50 devices. Can this number be lowered to 50 units?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 23, 2018 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
