Subject: Additional Information Request

Message:

1) You can file for FAA coordination through their portal. Please see the link below
<https://webfcr.faa.gov/Account/Login.aspx?firstlogin=no>,

Provide me the final coordination number and upload that to your application. Inform me via email.

If you change any technical parameters of FCC approved devices (ERP, Output Power, Frequency, Bandwidth, Emission, Modulating Signal) then coordination is necessary.

2) Enter the Necessary Bandwidth value in your form 442

3) Provide the need for 75 devices. Can this experiment be conducted with less number of devices?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 14, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
