Message:

Hello,

Pre-coordination documents for GA and NC states uploaded to application (awaiting documents for 3 more states, will share as soon as I receive them from FAA). Document numbers are below:

For Savannah GA: NG T200405

For Chapel Hill NC: NG T200406

Can you please let me know if there's anything else in the application that needs addressed other than procuring FAA pre-coordination document? Just trying to address all requirements as soon as possible.

Thanks,  
Dilip Ramachandran.
