Thank you for your answer.

What we would like to achieve through this application is to add further ten units to ?0297-EX-PL-2008? which currently covers ten units. (We would like to use twenty units in total.)
In addition, the following sentences are displayed when we attempted to make application with Form 405.
?Callsign WE2XUU does not expire until 11/18/2010. Renewals may not be accepted until 08/20/2010?

For above reasons, we would like to ask you to accept application with Form442.
Or if there is another option to add further ten units to the existing license, please provide us with your kind advice.

Thank you for your continued support.
