File No. 0260-EX-ML-2011

Ref.15952

Mr. Trevino:

In reply to your e-mail dated 1/18/12, this is to advise you that the applicant has reviewed the Commission's rules governing the symbols used in emission designators and has determined that, for the emission designator "GXD", the second symbol can be changed to "7".

Accordingly, for the emission designator "GXD", the designator should be changed to "G7D".

Please advise if you would like the applicant to change the emission designator on the application, or if the Commission will change the records itself.

Best regards,

Jeff Rummel
Attorney for DRS Soneticom, Inc.
