

Attachment to STA File Number 0551-EX-ST-2006

STA Confirmation Number: EL174565

This request is incorrectly entered as a request for Special Temporary Authority (STA) for an existing STA. It is a request for a new STA. Please make note this correction.

Also, the orientation of the directive antenna in the horizontal plane was listed as 0 degrees because a number had to be entered. The antenna is positionable in azimuth and can be oriented anywhere from 0 to 360 degrees. This comment applies to all of the Antenna sites that were entered in the STA request (17 total).
