---

Message:

Dear Sir/Madam,

DRS Sustainment Systems, Inc. ("DRS"), hereby replies to the following correspondence that was sent to DRS by OET on October 6, 2016:

"Please explain the purpose of your STA application. If you need to continue operating then you should file a form 442 and withdraw this application. If you just need a little more time and will be finished within another 6 months then we can grant this application as a "new" STA for the same purpose. The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 06, 2016 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108."

DRS requests that OET grant the existing application as a "new" STA for a 6 month period. The purpose of the STA application is the same as was listed in the Confidential Exhibit 3 submitted with the original STA application that was filed, and granted, under call sign WJ9XKX.

If you require any additional information, please contact Gary Leeper at Gary.Leeper@drs.com. Thank you.
