

**Exhibit 1**

In connection with this renewal application for Station WG2XQV, it is noted that in addition to the US Air Force contract specified in the original license application (W91CRB-12-D-00002-0002), there is currently one additional contract currently in effect (through June 2015) and associated with the operations under the license, as follows:

Ultimate Military Customer: US Army  
Primary Contract/Vendor: W91CRB-12-D-0002 Task Order 0002-08  
GEORGIA INSTITUTE OF TECHNOLOGY  
SYSTEMS, LLC  
Subcontract: D6757-S1  
Contract POC: Bruce Fisk, UMTE Program Manager  
801-586-3405

In addition, it is noted that a separate application is being filed to delete Location 1 (Ft. Walton Beach (OKALOOSA), FL - NL 30-26-26; WL 86-38-17) from the license, as operations at that location have been discontinued.
