## **Application Narrative for Proposed Equipment**

### **Proposed Program**

Daimler Trucks is proposing GPS within their truck manufacturing building for testing purposes.

### **Objectives**

We seek to accomplish the following objectives:

1. Illumination of the part of the manufacturing facility, located at 11550 Statesville Blvd, Cleveland, NC with a GPS signal to allow for the testing and experimentation indoors for continued exploration of utilizing GPS technologies within their trucks to provide innovative applications and continue to provide safe products.
2. Further design, development and enhancement of existing GPS applications to provide greater efficiency and more effective means of utilizing GPS derived information.
