Subject: Request for Info - File # 1196-EX-ST-2020

Message:

The ITU is requesting all Earth station and space station antenna patterns to be provided using GIMS software application. Provide UHF and X-Band satellite antenna patterns in GIMS database format or provide a reference using the ITU reference antenna pattern library. It can be downloaded from the ITU website.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of January 21, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
