Subject: Request for Info - File # 0909-EX-CN-2017

Message:

Your application stated that the Commission may delete any bands that require federal coordination. Since even secondary allocations require protection, we would have to coordinate 150-150.8 MHz, 216-220 MHz and 460-470 MHz. Do you want us to delete all these bands, or are there one or more of the bands that you would like us to take the time to coordinate?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 15, 2018 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
