I can't process the application in its current state. You have marked the SPOC Orbital Debris Analysis as "Non-confidential" meaning open to public viewing.

Your confidential justification states:

I have not received the Space Cap ".mdb" file via email.

FYI, The confidential justification needs to be in the proper format. You must submit an item-by-item justification for the confidentiality request to answer the nine subsections of Part 0.459(b) of the FCC's rules

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 03, 2019 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
