Subject: Request for Info - File # 0925-EX-CN-2020

Message:

This request would be cleaner in our system if you were to refile this request as a modification of license to station WL2XGD. Resubmit all exhibits, including the one with answers to the questions I asked. Submit an exhibit saying that we told you that we would waive the fee. The new modification request can be granted as soon as we see it. Notify me at Douglas.Young @fcc.gov when you have finished the filing.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 19, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
