Mr. Hung Le

Thank you for your email response dated 06/02/2021 regarding Digisat International request for STA 0369-EX-ST-2021 / Confirmation: EL881239 / Call Sign: WR9UE. In the email, noted an application fee is pending and required to proceed further with our experimental test. Digisat had the following to show:

1) No awaiting payments.

Attached are screen shots from today and the confirmation of payment which was done 23 March 2021.

2) [https://apps.fcc.gov/FeeFiler/a\\_new\\_fees.cfm?set=317060](https://apps.fcc.gov/FeeFiler/a_new_fees.cfm?set=317060)

Dependent upon the PTC code New Fees range from \$70.00 up to \$4,415.00. Also, the page requires FCC Code 1 and FCC Code 2 which may or may not be required.

My question is with the on-line FCC Fee Filer form at the following link:  
[https://apps.fcc.gov/FeeFiler/a\\_new\\_fees.cfm?set=317059](https://apps.fcc.gov/FeeFiler/a_new_fees.cfm?set=317059)
