RESPONSE:

You have requested a copy of our agreement with NASA to continue processing our experimental application. We have been working diligently with NASA in order to finalize the agreement.

Unfortunately, we have not yet been able to do so for reasons beyond our control. We therefore request an additional 60 days in order to complete that process and provide you with a copy of the agreement.

We understand that further processing of our application will not be continued until we do furnish you with a copy of the NASA agreement.
