

Exhibit 1

Simultaneously with this renewal application, a modification application has been filed under File No. 0027-EX-ML-2016 to seek consent to the following modifications:

- Modification of the authorized operating frequencies to: 3.1-3.3 GHz.
- Modification of the Emission Designators to specify: 17M7Q3N and 33M2Q3N.
- Submission of a new Confidential Exhibit 3 (to replace and supersede the Confidential Exhibit 3 originally submitted on 2/28/2014).

Accordingly, it is requested that any renewal grant reflect the modifications requested in the above-referenced modification application.
