

Exhibit 2

The instant application under File No. 0718-EX-CN-2019 is being amended to add the facilities currently specified in the application under File No. 0752-EX-CN-2019, at the suggestion of Commission staff.

The facilities listed in the combined application are requested in support of the following DARPA Mobile Force Protection contract, for operation of Fortem low weight, low power prototype radar for counter UAS:

Agency: DARPA Mobile Force Protection (MFP)

Contract No. : HR0011-17-9-0017

Government POC (Updated):

David Worden
david.worden.ctr@darpa.mil
Desk: 571-218-4975

As addressed with Commission staff, it is Dynetics understanding that the company will continue to be able to operate under the terms of the prior granted STAs previously issued under call signs WO9XHH and WO9XPO pursuant to Section 5.61(c).
