

Please see below for responses to the nine subsections of part 0.459(b) of the FCC rules.

*(1) Identification of the specific information for which confidential treatment is sought;*

*Confidential treatment is sought for all exhibits submitted*

*(2) Identification of the Commission proceeding in which the information was submitted or a description of the circumstances giving rise to the submission;*

*File No. 0266-EX-CN-2020*

*(3) Explanation of the degree to which the information is commercial or financial, or contains a trade secret or is privileged;*

*The information contained within the exhibits is confidential information concerning an experimental military capability related to the USAF Airborne Mission Network prime contract held by Sierra Nevada Corp. The information should be withheld to prevent any vulnerabilities or capabilities of the system or its installation from being exploited.*

*(4) Explanation of the degree to which the information concerns a service that is subject to competition;*

*The information contained within the exhibit represents a low degree of concern as it relates to the subject of competition.*

*(5) Explanation of how disclosure of the information could result in substantial competitive harm;*

*The information contained within the exhibit represents a low degree of concern as it relates to competitive harm.*

*(6) Identification of any measures taken by the submitting party to prevent unauthorized disclosure;*

*All parties related to the supply, installation and operation of the equipment are bound by NDA.*

*(7) Identification of whether the information is available to the public and the extent of any previous disclosure of the information to third parties;*

*The information related to potential or actual military operational capability within the exhibits is not available to the public.*

*(8) Justification of the period during which the submitting party asserts that material should not be available for public disclosure; and*

*The material relates to a potential or actual military operational capability and should be marked for declassification 10 years from the date of the original decision.*

*(9) Any other information that the party seeking confidential treatment believes may be useful in assessing whether its request for confidentiality should be granted.*

*No further information beyond the Military nature of the experimental license request outlined above.*
