Message:

Please address the following questions and concerns.

Currently, there are two licensees within the radius of 99 Km from the proposed coordinates in Montgomery, MD, Gamma Acquisition LLC and BDSO.

Since the potential for harmful interference to the Advanced Wireless Service operations in this venue is more obvious than the other proposed locations, the applicant needs to submit a consent letter from Gamma Acquisition LLC.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 02, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
