Subject: Additional Information Request

---

Message:

- (1) As noted in Exhibit 1 (Description) of the application, the requested STA seeks to modify experimental gateway operations authorized under File No. 0004-EX-ST-2021 by adding two satellites, EG-3 and Pathfinder II, as points of communication (in addition to EG-1).
- (2) As the FAA notes in the attached correspondence, no extension is required for FAA coordination.
