

Emergency Contact Information for EchoStar Atlanta WiNetworks Test

In the event of interference or other problems believed to arise from EchoStar's test of WiNetworks WiMax equipment in Atlanta, please contact:

David Barnes
Program Manager
EchoStar Broadband Atlanta
Work: (404) 978-8209
Cell: (678) 372-9381

to arrange for appropriate modification of equipment operation or emergency shutdown of the test.
