DISMISSED-WITHOUT PREJUDICE

Dear Eddie Huddleston,

This refers to application, File No. 1387-EX-ST-2021, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. We are unable to approve your application due to FAA objections. The FAA does not support the use of this system as it is not consistent with the allocations in this band and as such is not a COTS system. Further, the FAA is concerned with the potential impact of this system on UAS Detect and Avoid (DAA) systems that operate in the 24.45-24.65GHz band.

Responses to this correspondence must contain the Reference number : 64769

Sincerely,

Anthony Serafini  
Chief  
Experimental Licensing Branch
