

8/1/2019

To Whom It May Concern:

This is to certify that:

Ergotech Controls Inc. dba Industrial Networking Solutions deploys and/or manages radio frequency equipment.

The RF experimentation will be conducted by following a strict Test Plan defined and approved by Ergotech Controls Inc. dba Industrial Networking Solutions in a controlled environment.

Ergotech Controls Inc. dba Industrial Networking Solutions will have a Project Manager in place to specifically follow the Test Plan, track results, and publish test results.

Ergotech Controls Inc. dba Industrial Networking Solutions has extensive RF experience and expertise deploying RF networks and has a number of RF engineers on permanent staff.

For the above reasons, I believe Ergotech Controls Inc. dba Industrial Networking Solutions meets the Eligibility criteria for an Special Temporary Authority experimental license as set forth in the Commission Rules.

Sincerely,

Richard Rogers
