Subject: 0486-EX-ST-2020 pre-coordination data request

Message:

AFTRCC Frequency Coordination for use of the 2360-2395 MHz band has been applied for. A copy of the AFTRCC Form 87_T and the summary memorandum are submitted as an additional attachment as e-mailed to AFTRCC today. As soon as coordination is completed a copy of the confirmation e-mail from AFTRCC will be filed as an attachment to this application.
