Subject: 0661-EX-ST-2020 pre-coordination data request

---

Message:

AFTRCC is required for the frequencies 2200.00000000 MHz-2507.00000000 - After speaking with AFTRCC and due to their response times, we will not be transmitting in the 2200MHz - 2507MHz spectrum.
