Subject: Request for Info - File # 0661-EX-ST-2020

---

Message:

Fenix Group will be working with a Federal Contractor to integrate a Fenix Group Banshee Mobile Radio operating on LTE bands 2 and 66. The Banshee Mobile Radio will be integrated into the manned aircraft and transmit data (A2G) from onboard payloads down to a temporary Tactical Operations Center and U.S. Government approved end-user devices.
