Subject: Request for Info - File #0499-EX-PL-2007

Message:

1. You are required to submit a narrative statement describing in detail the following:
 - (a) The complete program of research and experimentation proposed including description of equipment and theory of operation;
 - (b) The specific objectives sought to be accomplished;
 - (c) How the program of experimentation has a reasonable promise of contribution to the development, extension, expansion, or utilization of the radio art, or is along line not already investigated.
2. There also appear to be some missing bandwidths and emissions for some frequencies. There is one frequency that has no emission designator at all.

Return to our filing site at <https://fjallfoss.fcc.gov/oetcf/els/index.cfm> and use the "Amend/Complete Application" filing option to correct these problems.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 13, 2007 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
