Message:

Hello Mr. Young,

I have uploaded the justification letter. The file to be kept confidential is the description of the experiment which includes the type and make of the equipment being used.

best regards

Tom Cokenias

You have an exhibit that is marked confidential, but there is nothing describing what is to be withheld from the public, nor a justification for the confidentiality request. Your justification must be an item-by-item document answering the nine items in Part 0.459(b) of the FCC's rules.
