Whom it may concern,

The Justification for Operation US Nationwide

Correspondence Reference Number: 7470

Station Locations (in FCC FORM 442)

(1) MOBILE:

[Present]

Ann Arbor, MI, within **1000 km**, centered around NL 42-16-31; WL 83-43-51

[Amendment]

Ann Arbor, MI, within **8000 km**, centered around NL 42-16-31; WL 83-43-51

The reason for;

- a) To confirm the experimental radio station (i.e.; millimeter waves radar) performance on various road conditions (e.g.; traffic, locations, or environmental climate) all over the United States.
- b) Presentation of our product for automotive industries across the United States.

We thank you very much for your attention on this matter.

Yours truly;

September 26, 2008

Naoto (Frank) NISHIMURA (Mr.)
