

From: John Burger

To: Doug Young
Date: October 23, 2013

Subject: Request for Info - File #0602-EX-ST-2013

Message:

We are currently in the process of obtaining a consent letter from a DoD frequency management organization for us to submit to the FCC. Understandably, this process is taking longer due to the Government shutdown.

Being as tomorrow is 30 days since the original correspondence, we respectfully request an extension on submitting a consent letter to you.

Best regards,

-John L. Burger
